

The Grand Mercure Nelson Monaco has accommodation for up to 210 guests, one and two bedroom cottages, studios and hotel rooms. Our beautifully furnished cottages are the main feature of the Monaco Resort creating a welcoming village feel. Each cottage is uniquely furnished with French doors that open onto your own courtyard. A stunning lobby welcomes you, enclosed by a timber-beamed ceiling it's a quiet place to have a relaxing drink in the evening, looking out to scenic views across the Monaco Peninsula.

Boutique Hotel Rooms

Our boutique Hotel rooms have a unique interior style and décor. Featuring a queen size bed, (Two rooms have permanent twin beds to be requested at time of booking), ensuite bathroom, tea and coffee facilities, Sky TV, telephone, writing desk, wireless internet, iron & ironing board and safe. Heating over the winter in this unit is by portable fan heater, and in summer all rooms have opening windows and the rooms facing the Waimea Inlet have ceiling fans to assist in cooling the rooms.

We have 19 hotel rooms - two of which are permanent twin rooms. Approx. Room size: 19m²

One Bedroom Studio Units

These comfortable self-contained units are great for couples needing a cosy place to stay. These spacious rooms feature a super king split bed (bedding configuration to be specified at the time of booking), wardrobe with a safe, open plan lounge & dining area, bathroom (bath can be available upon request), kitchenette (microwave, tea & coffee facilities, double stovetop, fridge), Sky TV, ironing facilities, telephone, wireless internet. Disabled access rooms are available upon request (we have 5 of these rooms). Units are split into two levels with ground floor suites and second storey suites. The rooms downstairs have showers over a bath and the rooms upstairs have a shower only. Heating over the winter in this unit is by wall panel heating and portable fan heaters can be supplied on request if additional heating is required. In summer all rooms have opening windows and the downstairs units have doors at each end of the unit that can be opened.

We have 31 one bedroom studios. Approx. Room size: 50m²

One Bedroom Cottages with Spa

These lovely romantic cottages will make you want to stay forever from the superb four poster bed, to the marble bathroom with European style double jet shower and large spa bath. The bedroom is beautifully appointed with bedside cabinets, lamps, suitcase rack and hanging space. They are split over two levels, with a self-contained kitchen (country-style with stove hob, dish drawer, refrigerator and washing machine), open-plan dining & lounge, courtyard, gas fireplace, writing desk downstairs, and the bedroom and bathroom upstairs. The cottages also have wireless internet connection and Sky TV and dvd player. Heating over the winter in this unit is by wall panel radiator heating in the lounge, kitchen and bedroom and the gas fire. Portable fan heaters can be supplied on request if additional heating is required. In summer all rooms have opening windows and there are French doors that open on to a private courtyard at the back of the cottage.

We have 6 Summerhouse cottages. Approx. Room size: 80m²

Two Bedroom Cottages

Perfect for family's or couples these two bedroom cottages are spacious and comfortable for short or long stays, accommodating up to 4 guests. The bedrooms and bathrooms are located upstairs with the lounge, dining and kitchen downstairs. The two upstairs bedrooms are separated with either two ensuite bathrooms or one large bathroom (with the choice of bedding configuration, one queen bed & two singles, two queens or four single beds which needs to be requested at the time of booking and are subject to availability). They also feature a kitchen (country-style) with stove hob, dish drawer, refrigerator and washing machine), open plan dining and lounge area, with French doors opening onto a courtyard, a gas fireplace, writing desk, wireless internet connection, DVD player and Sky TV. Heating over the winter in this unit is by wall panel radiator heating in the lounge, kitchen and bedroom and the gas fire. Portable fan heaters can be supplied on request if additional heating is required. In summer all rooms have opening windows and there are French doors that open on to a private courtyard at the back of the cottage.
